

LOLO PSR Cancellation Protocol Memo

It is unusual for PSR to cancel for any reason. But with winter upon us, I thought it wise to communicate our cancellation protocol and policy.

We are **revising** the currently published cancellation policy as follows:

Cancellation

Wednesday —

Old Policy - ~~If Marysville Schools are closed because of extreme weather, PSR is also cancelled. If there is a delay in the district, PSR is NOT affected.~~

New Policy - **A Level 3 Snow Emergency or lack of teachers will cancel class.**

Sunday— *A Level 3 Snow Emergency or lack of teachers will cancel class.*

Due to area school cancellations being varied, we are revising the policy concerning Wednesday evening only. For instance, when school is cancelled for fog or extreme low temperatures in the morning but the situation improves over the course of the day, we *will* have PSR.

So, on Sunday mornings a decision is made at 7:30 am as to whether or not to cancel classes. Weather reports, current conditions and snow emergency levels are checked preceding the making of that decision.

On Wednesday evenings a decision is made by 5:00 pm. Weather reports, current conditions and snow emergency levels are checked preceding the making of that decision

If at any time a decision to cancel classes is made, communication to our webmaster to post a banner on www.olol.cc is immediate, and communication to our catechist team closely follows. Signs are then posted on the CCC doors. Finally, every attempt to email parents is made as well.

By all means, if you cannot make it to PSR due to road conditions, do not come to PSR. Each of us must make the decision to be on the roads for ourselves. We respect that, plus, your child can make up the work from the missed class. Be safe if you find road conditions in your area are hazardous and impassable.

If you have any questions, please email Mrs. Turner at psr.olol@rrochio.com or see her during PSR.
