The following correspondence from the Women's Care Center in thanksgiving to your contributions last year.

Thank you for your gift of \$5,788 to the Women's Care Center. We are grateful for your generosity that touches the lives of our women facing unexpected pregnancies.

One in 10 babies born in Franklin County get their start at Women's Care Center. Many of these women are scared and considering abortion when they first walk through our doors. Your gift helps us provide them with hope through supportive counseling, ultrasounds, parenting education, and community referrals. Together, we also provide cribs and other baby items through the Crib Club incentive program.

It is your support that makes it possible to help our young women choose life for their precious babies. Thank you for your life-saving support of this blessed mission and continued efforts building a Culture of Life. May God bless you. – Rick H. Jeric, Executive Director
