

# Sponsor Report

Due on or before April 11, 2021

The person you choose as your sponsor is not only a very important part of your journey toward Confirmation but also a very important part of your life's FAITH journey. You should choose someone who will help you with questions about your faith. Someone who will help you grow in your faith. They should be someone you see as a lifelong friend.

Your assignment is to interview the person you have selected as your sponsor and then write a summary of that interview.

You may ask questions of your sponsor that you find informative and interesting.

The final summary should include the sponsor's name, why you chose them, and how you believe they will help you grow in your faith. It should also include interesting information about your sponsor.

This summary may be submitted electronically or in hardcopy. In either event, make certain your name is clearly included on your final draft.

# Service Summary

Due on or before May 1, 2021

What does SERVICE mean to you?

This is where you should start – define "service."

The balance of your summary should include:

- acts of service you have received from others
- how you have been of service to others
- how you plan to be of service in the future
- what you learned through being served by others and offering your service to others
- **why** is service important

We are not looking for number of hours served, but rather the quality of serving. It is not important how many minutes or hours you served but rather why you serve.

This summary should be a couple of paragraphs long and may be submitted electronically or in hardcopy. In either event, make certain your name is clearly included on your final draft.

# Prayer

Prayer is a vital part of our faith. It provides a way to communicate with God. It is how we ask for help, how we give thanks for our blessings, how we praise and offer glory to our Creator, how we ask for help for others, and how we acknowledge our shortcomings and sinfulness. It is brought to fruition by our listening for God's response to us. Through prayer we grow closer to God.

As part of your Confirmation journey, we have asked that you increase your prayer life. Last year you were asked to:

1. Recite an extra Rosary each month
2. Attend Eucharistic Adoration once each year of your Confirmation prep (2 times total)
3. Keep a prayer journal of your daily prayer requests

We are hopeful that you have been able to continue these requests of your prayer life and are forming strong habits. To that end, Daily Prayer Journals have been placed in the Bride's Room for you to pick up for this year.
